CERTIFICATE OF INSURANCE

This certificate explains the policy of insurance underwritten by us. It is not the contract of insurance. The policy (called the "policy"), as issued to the policyholder by us, alone makes up the agreement under which insurance coverage is provided and benefits are determined. The policy is delivered in and is governed by the laws of the governing jurisdiction and, to the extent applicable, by the Employee Retirement Income Security Act of 1974 (ERISA) and any amendments. The policy may be inspected at the office of the policyholder during normal business hours.

The critical illness coverage under this policy is a benefit offered as part of the Associates' Health and Welfare Plan (Plan). The Plan is an employer-sponsored health and welfare employee benefit plan governed under ERISA.

This document, together with the current version of the Associate Benefits Book, constitutes the summary plan description (SPD) for the critical illness coverage portion of the Plan. The SPD, together with the Wal-Mart Stores, Inc. Associates' Health and Welfare Plan Wrap Document, are the Plan documents for the Plan.

As a summary, this SPD does not describe every provision of the controlling Plan, nor does it modify any provision of the applicable Plan documents.

CONSIDERATION

Your coverage under the policy is issued to you in consideration of your enrollment form or other form of application and the payment of the first premium. Your coverage under the policy is effective from 12:01 a.m. Standard Time on your effective date.

INSURING CLAUSE

We certify that coverage under the policy is in effect for persons who have satisfied all eligibility requirements and for whom the required premium has been paid when due. All such coverage is subject to the terms of the policy.

In this certificate the insured certificate holder (associate) will be referred to as "you", "your" or "yours".

This certificate supersedes and replaces any certificate previously issued to you under the policy.

GENERAL PROVISIONS

COVERAGE SUBJECT TO POLICY

The coverage described in this certificate is subject in every way to the terms of the policy that is issued to the policyholder. It alone makes up the agreement by which the insurance is provided. The policy may be amended or discontinued by agreement between us and the policyholder in accordance with the terms of the policy. Your consent is not required for this. Neither are we required to give you prior notice.

ELIGIBILITY OF DEPENDENTS

Eligible dependents are the individuals defined as "Eligible Dependents" under the policyholder's Health and Welfare Plan.

A child born to you or your spouse, while Associate and Child(ren) Coverage or Family Coverage is in force, will be eligible for coverage. This coverage begins at the moment of birth of such child and benefits will be the same as provided for other dependent children covered under this certificate.

4

If you have Associate-Only Coverage [or Associate and Spouse Coverage], newborn children are automatically covered from the moment of birth for a period of [60 days]. If you desire uninterrupted coverage for a newborn child, you must notify your employer within [60 days] of that child's birth. Upon notification to us, we will convert your Associate-Only Coverage to Associate and Child(ren) Coverage [or Associate and Spouse Coverage to Family Coverage] and provide notification of the additional premium due. If you do not notify the policyholder within [60 days] of the birth of the child, the temporary automatic coverage ends.

If you have Associate-Only Coverage or Associate and Child(ren) Coverage, then marry and desire coverage for your spouse, your employer must be notified within [60 days] of your marriage. We will convert your coverage to Associate and Spouse Coverage or Family Coverage and provide notification of the additional premium due.

An adopted child or child pending adoption will be covered as follows:

1. Coverage is retroactive from the moment of birth for a child with respect to whom a decree of adoption has been entered into by you within [60 days] after the date of birth.
2. If adoption proceedings have been instituted by you within [60 days] after the date of birth and you have temporary custody, coverage is provided from the moment of birth.
3. For children other than newborns, if adoption proceedings have been completed, and a decree of adoption was entered within 1 year from the institution of the proceedings, coverage will begin upon temporary custody for 1 year, unless extended by the order of the court by reasons of the special needs of the child.

Coverage must be provided as long as you have custody of the child pursuant to decree of the court and required premiums are paid.

If you have Associate-Only Coverage [or Associate and Spouse Coverage], we will convert your Associate-Only Coverage to Associate and Children Coverage [or Associate and Spouse Coverage to Family Coverage] and provide notification of the additional premium due.

ELIGIBILITY DATE

If you are working for the policyholder in an eligible class, the date you are eligible for coverage is the later of:

1. the policy's effective date; or
2. the date that you become eligible for coverage under the terms of the policyholder's Health and Welfare Plan.

WHEN YOU CAN ENROLL OR CHANGE YOUR COVERAGE

You may apply for or change coverage as permitted under the terms of the policyholder's Health and Welfare Plan.

GENERAL PROVISIONS (Continued)

WHEN EVIDENCE OF INSURABILITY IS REQUIRED

Evidence of insurability is required if:

1. you:
 - a. voluntarily cancel coverage under this certificate and reapply; or
 - b. apply for an amount of coverage over the Guaranteed Issue Limit; or
 - c. apply for the coverage, or an increase in the amount of coverage, after your initial enrollment period.
2. the eligible dependent:
 - a. does not enroll within [60 days] of eligibility; or
 - b. applies for an amount over the Guaranteed Issue Limit.

EFFECTIVE DATE OF COVERAGE

If you enrolled for this coverage provided by us during your employer's initial enrollment period during the Fall of 2009, your coverage is effective on January 1, 2010. If you enrolled for coverage anytime after your employer's initial enrollment period or anytime on or after January 1, 2010, your coverage will be effective in accordance with the terms of the policyholder's Health and Welfare Plan.

For any change in coverage, the change in coverage is effective in accordance with the terms of the policyholder's Health and Welfare Plan.

CERTIFICATE OF INSURANCE

This certificate of insurance provides a description of the insurance provided by the policy issued to your employer. It describes the essential features of the insurance coverage and to whom benefits are payable.

If there is any discrepancy between the provisions of this certificate and the provisions of the policy, the provisions of the policy govern.

TERMINATION OF COVERAGE

Your coverage under the policy ends subject to the "Portability Coverage" provision of this certificate on the earliest of:

1. the date the policy is canceled by the policyholder; or
2. the last day of the period for which you made any required premium payments; or
3. the last day you are in active employment, except as provided under the "Leave of Absence" provision; or
4. the date you are no longer in an eligible class; or
5. the date your class is no longer eligible.

We will provide coverage for a payable claim that occurs while you are covered under the policy.

If your spouse is a covered person, your spouse's coverage ends upon valid decree of divorce or your death, or when you move to an eligible class that does not provide spouse coverage.

Coverage for a dependent child ends on the certificate anniversary next following the date the child is no longer eligible for coverage under the terms of the policyholder's Health and Welfare Plan. Coverage does not terminate for an unmarried child who:

1. is incapable of self-sustaining employment by reason of mental or physical incapacity; and
2. became so incapacitated prior to the attainment of the limiting age of eligibility under the policy; and
3. is chiefly dependent upon you for support and maintenance.

The child's coverage continues as long as your coverage remains in force and the child remains in such condition. Proof of the incapacity and dependency of the child must be furnished to us when the child reaches the limiting age of eligibility. Thereafter, such proof must be furnished as frequently as may be required, but no more frequently than annually after the child's attainment of the limiting age for eligibility.

If we accept a premium for coverage extending beyond the date, age or event specified for termination as to a covered person, such premium will be refunded, coverage will terminate and claims incurred after termination will not be paid. There may be no refund due if you have Associate and Child(ren) Coverage or Family Coverage and there are other dependent children insured under the policy.

Coverage may be eligible for continuation as outlined in the "Portability Coverage" provision.

GENERAL PROVISIONS (Continued)

AGENCY

For purposes of the policy, the policyholder acts on its own behalf or as your agent. Under no circumstances will the policyholder be deemed our agent.

LEAVE OF ABSENCE

If you cease active employment because of a leave of absence while coverage is in force, you will have the opportunity to continue your coverage while you are away from active employment. Coverage will be in accordance with the terms of the policyholder's Health and Welfare Plan. This includes, but is not limited to how coverage is provided, how premiums are paid for during the absence, and whether coverage is reinstated upon return to employment.

INCONTESTABILITY

After 2 years from the effective date of coverage, no misstatement of a covered person, made in writing, can be used to void coverage or deny a claim.

7 [DISCRETIONARY AUTHORITY, IF GOVERNED BY ERISA]

The following applies only when the administration of the policy is governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1001 et seq.:

We have the discretion and authority to construe disputed or seemingly inconsistent provisions of the policy and to make all decisions regarding eligibility and/or entitlement to coverage or benefits. Whenever we make reasonable determinations which are not arbitrary or capricious in the administration of the policy, such determinations shall be final and conclusive.]

LEGAL ACTION

No legal action may be brought to obtain benefits under the policy:

1. for at least 60 days after proof of loss has been furnished; or
2. after the expiration of 180 days from the time a decision on appeal regarding a claim for benefits under this certificate has been rendered. A lawsuit may not be filed after this 180 day period expires.

CLERICAL ERROR

Clerical error on the part of the policyholder or us will not invalidate insurance otherwise in force nor continue insurance otherwise terminated. Upon discovery of any error, an adjustment will be made in the premiums and/or benefits available. Complete proof must be supplied by the policyholder documenting any clerical errors.

BENEFICIARY; CHANGE OF BENEFICIARY

If no beneficiary is named, we will pay any benefits due at the covered person's death in the following order:

- 8**
1. [to you, if living; otherwise
 2. to your spouse, if living; otherwise
 3. to the covered person's children, in equal shares, if living; otherwise
 4. to the covered person's parents, in equal shares, if living; otherwise
 5. to the covered person's siblings, in equal shares, if living; otherwise
 6. to the covered person's estate].

Any change of beneficiary must be filed with the policyholder or at our home office. It will not take effect unless so filed, but if so filed, will take effect on the date you signed it. This will be true whether or not the covered person is living on the date it is filed. There will be no prejudice to us on account of any payment we make prior to its receipt by us at our home office.

GENERAL PROVISIONS (Continued)

9 [UNPAID PREMIUM; EXCESS PREMIUM]

Upon the payment of a claim under this certificate, any premium owed by you in an individual capacity that is more than [60 days] past due may be deducted from the benefit amount payable to you or one of your eligible dependents. Any excess premium will be refunded to you.]

PREMIUMS

Premiums for this coverage are age banded and based on your attained age. On the policy anniversary on or after your age reaches the next age band, your premium will change in accordance with the premium rate currently being charged for that age band.

WAIVER OF PRE-EXISTING CONDITION DEFINITION AND LIMITATION

If you were insured by the policy prior to January 1, 2012, we will waive the Pre-existing Condition Definition and Limitation provision for those covered benefits that:

1. were available prior to January 1, 2012; and
2. satisfied the Pre-existing Condition Limitation provision under the prior coverage.

This waiver of the Pre-existing Condition Definition and Limitation provision does not apply to Benign Brain Tumor; Coma; Complete Loss of Hearing; Complete Loss of Sight; Dismemberment; Paralysis; and Parkinson's Disease.

(This space intentionally left blank.)

PORTABILITY COVERAGE

We will provide portability coverage, subject to these provisions.

Such coverage will be available for a covered person, if the following criteria are satisfied:

10

1. coverage under the policy terminates as described in the General Provision entitled "Termination of Coverage"; and
2. we receive a request for portability and payment of the first premium for the portability coverage not later than [60 days] after such termination.

Portability coverage will also be available for a covered person with a Basic Benefit Amount in excess of \$20,000 on the effective date of this amendment. The excess amount over \$20,000 will be provided as portability coverage. Claims already paid toward the maximum total percentage of 200% of the basic benefit amount will still apply to the excess amount provided as portability coverage. We must receive a request for portability of the excess amount and payment of the first premium for the portability coverage not later than [30 days] after the effective date of this amendment.

No portability coverage will be provided for any person, if his or her insurance under the policy terminated due to his or her failure to make required premium payments.

PORTABILITY COVERAGE

The benefits, terms and conditions of the portability coverage will be the same as those provided under the policy when the insurance terminated. Portability coverage may include any eligible dependents who were covered under the policy. Any change made to the policy after a covered person is insured under the portability coverage will not apply to that covered person unless it is required by law.

Portability coverage will be effective on the day after covered person's coverage under the policy terminates.

PORTABILITY PREMIUMS

Premiums for portability coverage are due and payable in advance of each month of coverage to us at our home office. Premium due dates are the first day of each calendar month. The portability premium rate for the first [36 months] of portability coverage is the rate in effect under the policy for active associates who have the same coverage. After the first [36 months], the premium rate for portability coverage may change for the class of covered persons on portability on any premium due date. Written notice will be given at least [31 days] before any change is to take effect.

GRACE PERIOD

The grace period, as defined, will apply to each certificate holder of portability coverage as if such covered person is the policyholder.

TERMINATION OF PORTABILITY COVERAGE

Insurance under this portability coverage will automatically end on the earliest of the following dates:

1. the date you again become eligible for insurance under the policy according to the terms of the policyholder's Health and Welfare Plan; or
2. the last day for which premiums have been paid, if the covered person fails to pay premiums when due, subject to the grace period; or
3. with respect to insurance for dependents:
 - a. the date your insurance terminates; or
 - b. the date your dependent ceases to be an eligible dependent as defined.

A dependent child whose portability coverage terminates when he or she reaches the age limit may apply for portability coverage in his or her own name, if he or she is otherwise eligible.

TERMINATION OF THE POLICY

If the policy terminates, you and your covered dependents will be eligible to exercise the portability privilege on the termination date of the policy. Portability coverage may continue beyond the policy's termination date, subject to the timely payment of premiums. Benefits for portability coverage will be determined as if the policy had remained in full force and effect.

LIMITATIONS AND EXCLUSIONS

The policy does not pay benefits for any critical illness due to, or resulting from, (directly or indirectly):

1. any act of war, whether or not declared, participation in a riot, insurrection or rebellion; or
2. intentionally self-inflicted injuries; or
3. engaging in an illegal occupation or committing or attempting to commit a felony; or
4. attempted suicide, while sane or insane; or
5. being under the influence of narcotics or any other controlled chemical substance unless administered upon the advice of a physician; or
6. participation in any form of aeronautics except as a fare-paying passenger in a licensed aircraft provided by a common carrier and operating between definitely established airports; or
7. alcohol abuse or alcoholism, drug addiction or dependence upon any controlled substance.

(This space intentionally left blank.)

BENEFIT INFORMATION

- A. INITIAL CRITICAL ILLNESS BENEFIT.** We pay the benefits, as described below, subject to the conditions described below and all other provisions of the policy. The policy provides coverage only for the critical illnesses indicated. It does not cover any other disease, sickness or incapacity, unless specifically stated.

Claims for benefits under the policy not satisfying all the criteria for diagnosis may be subject to review by an independent physician consultant. All covered critical illnesses must be diagnosed by a physician. Emergency situations that occur while the covered person is outside the United States may be reviewed and considered for approval by a United States physician on foreign soil or when the covered person returns to the United States.

At the time you elect coverage under this policy for you and your eligible dependents, you must choose a basic benefit option as described in the most recent version of the Associate's Benefit Book. The amount payable for each critical illness is the percentage next to that critical illness multiplied by the basic benefit amount applicable to each covered person. Benefits are payable only once for each initial occurrence of a critical illness per covered person. We will continue to pay benefits until the maximum total percentage of 200% of the basic benefit amount is reached for each covered person. The 200% includes any basic benefit amounts previously paid to for each covered person under any other American Heritage Life Insurance Company Group Critical Illness certificate sponsored by the policyholder's Health and Welfare Plan.

For purposes of the benefits available in the policy, date of diagnosis means the date the following diagnoses are made:

- **For Heart Attack:** The date of death (infarction) of a portion of the heart muscle.
- **For Stroke and Transient Ischemic Attacks (TIA's):** The date a stroke or transient ischemic attack occurred based on documented neurological deficits and neuroimaging studies.
- **For Coronary Artery By-Pass Surgery:** The date the actual coronary artery by-pass surgery occurs.
- **For Invasive Cancer or Carcinoma in situ:** The date the diagnosis is established by the physician based on clinical and/or laboratory findings as supported by the covered person's medical records. Clear and definitive diagnosis must be made by either a pathological or clinical method.
- **For End-Stage Renal Failure:** The date that the covered person begins renal dialysis.
- **For Alzheimer's Disease:** The date the diagnosis is established by the psychiatrist or neurologist based on clinical and/or diagnostic findings as supported by the covered person's medical records.
- **For a Specified Disease:** The earliest of the date of: tentative diagnosis; or clinical diagnosis; or the day the tissue specimen, culture(s) and/or titer(s) are taken, upon which the positive or tentative diagnosis of a specified disease is made.
- **For Benign Brain Tumor:** The date neurological symptoms and deficiencies were documented by a physician to have first occurred after the covered person's effective date of coverage.
- **For Coma:** The first day of the period for which a physician confirms a coma has lasted for 7 consecutive days.
- **For Complete Loss of Hearing:** The date the audiologist makes an accurate certification of total and permanent hearing loss in both ears.
- **For Complete Loss of Sight:** The date the ophthalmologist makes an accurate certification of total and permanent loss of sight in both eyes.
- **For Dismemberment:** The date the actual dismemberment for the covered person occurs.
- **For Paralysis:** The date a physician establishes the diagnosis of paralysis based on clinical and/or laboratory findings as supported by medical records.
- **For Parkinson's Disease:** The date diagnosis is established by a psychiatrist or neurologist based on clinical and/or diagnostic findings as supported by the covered person's medical records.

A. INITIAL CRITICAL ILLNESS BENEFIT (Continued)

Pre-existing Condition Definition and Limitation

11 Pre-existing Condition Definition. For purposes of the benefits available under the policy, a pre-existing condition means any critical illness for which the covered person has sought medical advice or treatment in the [12 months] immediately before the effective date of their coverage. A pre-existing condition may exist even though a diagnosis has not yet been made. Preventative care and maintenance treatment are not treatment of a critical illness, even if such care and maintenance would not have occurred but for the covered person being diagnosed previously with the critical illness.

Pre-existing Condition Limitation. Some critical illness benefits described below indicate that they are subject to the pre-existing condition limitation. For those benefits, unless the benefit for the particular critical illness states otherwise, if a covered person has a critical illness that meets the definition of pre-existing condition as defined above, benefits under the policy will be payable for that critical illness only after the covered person has been symptom and treatment free of such critical illness for any [12 consecutive months] after the effective date of their coverage.

Some critical illnesses described below indicate they are never paid if the critical illness is diagnosed prior to the effective date or meets the definition of pre-existing condition as defined above. For those benefits, unless the benefit for the particular critical illness states otherwise, if a covered person has a critical illness that has been diagnosed prior to the covered person's effective date of coverage or if the critical illness meets the definition of pre-existing condition as defined above, that critical illness is excluded from coverage for that covered person.

- 1. Heart Attack, Stroke and Transient Ischemic Attack (TIA's).** We will pay a benefit for the following heart attack, stroke and transient ischemic attack critical illnesses if a covered person is diagnosed with the critical illness provided that:
- the date of diagnosis is after the effective date of coverage; and
 - the date of diagnosis is while insured; and
 - the critical illness is not excluded by name or specific description; and
 - we have not paid an initial critical illness benefit for the critical illness before.

<u>Critical Illness</u>	<u>Percentage of Basic Benefit Amount</u>
Heart Attack	100%
Stroke	100%
Transient Ischemic Attack	25%

- 2. Coronary Artery By-Pass Surgery.** Subject to the pre-existing condition limitation, we will pay a benefit for the following coronary artery by-pass surgery critical illness if a covered person is diagnosed with the critical illness, provided that:
- the date of diagnosis is after the effective date of coverage; and
 - the date of diagnosis is while insured; and
 - the critical illness is not excluded by name or specific description; and
 - we have not paid an initial critical illness benefit for this critical illness before.

<u>Critical Illness</u>	<u>Percentage of Basic Benefit Amount</u>
Coronary Artery By-Pass Surgery	100%

- 3. Cancer.** Subject to the pre-existing condition limitation, we will pay a benefit for the following cancer critical illnesses if a covered person is diagnosed with the critical illness, provided that:
- the date of diagnosis is while insured; and
 - the cancer is not excluded by name or specific description; and
 - we have not paid an initial critical illness benefit for this particular form of cancer before.

<u>Critical Illness</u>	<u>Percentage of Basic Benefit Amount</u>

- d. we have not paid an initial critical illness benefit for this critical illness before.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance:

- If you request materials for the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.
- If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. Generally, you must complete the appeals process before filing a law suit against the Plan. However, you should consult with your own legal counsel in determining when it is proper to file a law suit against the Plan.
- If you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court.
- If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest regional office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory, or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the Employee Benefits Security Administration publications hotline at (866) 444-3272 or by logging on to the Internet at www.dol.gov/ebsa.]

- IV. The Rate Guarantee Date in the POLICY SPECIFICATIONS section is deleted and replaced with the following:

RATE GUARANTEE DATE: 12/31/2014 for active employees

- V. The Canceling Policy Provision in the POLICYHOLDER PROVISIONS section is deleted and replaced with the following:

CANCELING POLICY

This policy can be canceled after the Rate Guarantee Date:

1. by us; or
2. by the policyholder.

We may terminate or offer to modify this policy after the Rate Guarantee Date with at least 365 days written notice to the policyholder, if:

1. the policyholder fails to perform any of its material obligations that relate to this policy; or
2. fewer than 50 employees are insured.

With regards to the policyholder's failure to perform any of its material obligations that relate to this policy, before we give the policyholder 365 days written notice of our intent to terminate or modify this policy, we must first give the policyholder 30 days written notice of the breach and the opportunity to cure the breach during that 30 day period. Only after giving such notice may we provide the policyholder with the 365 days written notice of our intent to terminate or modify this policy.

The policyholder must pay us all premiums due for the full period this policy is in force. If the premium is not paid before the grace period ends, we may terminate this policy with at least 30 days written notice to the policyholder. If the policyholder pays all past due premiums before the conclusion of the 30 day notice period, the policy will not terminate.

The policyholder may cancel this policy after the Rate Guarantee Date with at least 180 days written notice to us. When both the policyholder and we agree, this policy can be canceled on an earlier date. If canceled, coverage will end at 12:00 midnight on the last day of coverage.

If this policy is canceled, the cancellation will not affect a payable claim incurred prior to cancellation.

VI. The Premiums Provision is added to the GENERAL PROVISIONS section as follows:

PREMIUMS

Premiums for this coverage are age banded and based on the insured employee's attained age. On the [policy anniversary][certificate anniversary][insured employee's birthday] on or after an insured employee's age reaches the next age band, the premium for that insured employee will change in accordance with the premium rate currently being charged for that age band.

VII. The Waiver of Pre-Existing Condition Definition and Limitation Provision is added to the GENERAL PROVISIONS section as follows:

WAIVER OF PRE-EXISTING CONDITION DEFINITION AND LIMITATION

If the covered person was insured by the policy prior to January 1, 2012, we will waive the Pre-existing Condition Definition and Limitation provision for those covered benefits that:

1. were available prior to January 1, 2012; and
2. satisfied the Pre-existing Condition Limitation provision under the prior coverage.

This waiver of the Pre-existing Condition Definition and Limitation provision does not apply to Benign Brain Tumor; Coma; Complete Loss of Hearing; Complete Loss of Sight; Dismemberment; Paralysis; and Parkinson's Disease.

VIII. The Portability Coverage Provision is deleted and replaced with the following:

PORTABILITY COVERAGE

We will provide portability coverage, subject to these provisions.

Such coverage will be available for a covered person, if the following criteria are satisfied:

1. coverage under the policy terminates as described in the General Provision entitled "Termination of Coverage"; and
2. we receive a request for portability and payment of the first premium for the portability coverage not later than 60 days after such termination.

Portability coverage will also be available for a covered person with a Basic Benefit Amount in excess of \$20,000 on the effective date of this amendment. The excess amount over \$20,000 will be provided as portability coverage. Claims already paid toward the maximum total percentage of 200% of the basic benefit amount will still apply to the excess amount provided as portability coverage. We must receive a request for portability of the excess amount and payment of the first premium for the portability coverage not later than [30 days] after the effective date of this amendment.

No portability coverage will be provided for any person, if his or her insurance under this policy terminated due to his or her failure to make required premium payments.

PORTABILITY COVERAGE

The benefits, terms and conditions of the portability coverage will be the same as those provided under this policy when the insurance terminated. Portability coverage may include any eligible dependents who were covered under this policy. Any change made to this policy after a covered person is insured under the portability coverage will not apply to that covered person unless it is required by law.

Portability coverage will be effective on the day after a covered person's coverage under this policy terminates.

PORTABILITY COVERAGE (Continued)

PORTABILITY PREMIUMS

Premiums for portability coverage are due and payable in advance of each month of coverage to us at our home office. Premium due dates are the first day of each calendar month. The portability premium rate for the first 36 months of portability coverage is the rate in effect under this policy for active employees who have the same coverage. After the first 36 months, the premium rate for portability coverage may change for the class of covered persons on portability on any premium due date. Written notice will be given at least 31 days before any change is to take effect.

GRACE PERIOD

The grace period, as defined in this policy, will apply to each certificate holder of portability coverage as if such covered person is the policyholder.

TERMINATION OF PORTABILITY COVERAGE

Insurance under this portability coverage will automatically end on the earliest of the following dates:

1. the date the person again becomes eligible for insurance under this policy under the terms of the policyholder's Health and Welfare Plan; or
2. the last day for which premiums have been paid, if the covered person fails to pay premiums when due, subject to the grace period; or
3. with respect to insurance for dependents:
 - a. the date the employee's insurance terminates; or
 - b. the date the dependent ceases to be an eligible dependent as defined.

A dependent child whose portability coverage terminates when he or she reaches the age limit may apply for portability coverage in his or her own name, if he or she is otherwise eligible.

TERMINATION OF THE POLICY

If this policy terminates, insured employees and their covered dependents will be eligible to exercise the portability privilege on the termination date of this policy. Portability coverage may continue beyond the termination date of this policy, subject to the timely payment of premiums. Benefits for portability coverage will be determined as if this policy had remained in full force and effect.

- IX. The third paragraph of the BENEFIT INFORMATION section is deleted and replaced with the following:

At the time an employee elects coverage under this policy for the employee and his or her eligible dependents, the employee must choose a basic benefit option as described in the most recent version of the Associate's Benefit Book. The amount payable for each critical illness is the percentage next to that critical illness multiplied by the basic benefit amount applicable to each covered person. Benefits are payable only once for each initial occurrence of a critical illness per covered person. We will continue to pay benefits until the maximum total percentage of 200% of the basic benefit amount is reached for each covered person. The 200% includes any basic benefit amounts previously paid to for each covered person under any other American Heritage Life Insurance Company Group Critical Illness certificate sponsored by the policyholder's Health and Welfare Plan.
